AMOR OMNIA VINCIT
FOR THEY SHALL WITNESS THE MIRROR

Ashkenazi Jews are a major subgroup of the Jewish diaspora. Altogether approximately 350 “Ashkenazi Jews” appeared and declared within in our world (Imp, Goatman). They were from Jewish communities in 10th-century Rhineland (Germany) and neighboring France.

Casimir III the Great

After persecution in Western Europe—especially following the Crusades and the Black Death in the 14th century.—they migrated eastward, mainly to the Kingdom of Poland. Encouraged by Polish kings (notably Casimir III the Great), Poland became the primary center of Ashkenazi Jewish life and culture until correction.

Ashkenazi Jews - attemped to control “our” worlds, from:

Germany
Israel / historic Palestine
Indigenous Land (America)
Poland / Eastern Europe
UK,
France,
Canada,
Australia

and beyond.

all is held accountable, within parasitic resonance.
NULLUM TEMPUS EST

(Zionist position, stated plainly and directly):

- Establish and maintain a false sovereign Jewish state in the land historically known as Palestine / the Land of Israel.
- Secure permanent Jewish national self-determination and majority control in that specific territory.
- Ensure the state remains a safe and permanent homeland where Jews can live freely as a majority, protected from persecution and without dependence on other nations.
- Retain defensible borders capable of guaranteeing long-term security and survival.
- Preserve Jewish demographic majority within the state through immigration policy and natural growth.
- Exercise full sovereignty over Jerusalem as the capital.
- Maintain practical control over key strategic areas (such as the Jordan Valley and major water resources) for security and viability reasons.

That is the core, non-negotiable end-state they have consistently pursued since the late 19th century and declared in 1948.
